

Malowany Konik is a private kindergarten that specialises in the artistic and language education of children. The kindergarten is located in the Bronowice district, at 13 mjr. Łupaszki Street in Krakow (Balicka cross-street). The kindergarten was established in October 2011. It can offer places to about fifty children aged from two years and a half to five years old. The kindergarten occupies an area of 500 square metres including a **theatre, an art room and a large gym room.**

REASONS FOR JOINING OUR KINDERGARTEN:

1. Professional childcare and teaching methods:

- We employ qualified staff only.
- Each child is special and unique for us and as such we recognise different individual needs.
- We follow the educational program of the Polish Ministry for National Education.
- We develop talents and foster individual interests of children.
- We stimulate many-sided intellectual development of children.
- We provide childcare and education in the atmosphere of tolerance and respect.
- Children graduating from our kindergarten are well prepared to continue their education in the primary school.

2. Groups suited to children age and abilities:

- Children are grouped according to their age for effective teaching.
- We have ample of space for 3 groups of children.
- We organise activities in groups but we focus on individual needs of each child.

3. Kindergarten facilities:

- Opening hours: from 7.30 a.m. to 5.30 p.m. (Our opening hours are flexible and we can make adjustments in accordance with children and parents' needs)
- Spacious, well lit rooms with an abundance of natural light.
- Roomy, nicely-painted theatre, large gym room equipped with sport apparatus and art room for creative activities.
- Fenced, well-equipped outdoor play area (operating from March).

- Safe environment for taking children out for a walk since the kindergarten lies in the gated housing estate, which is a safe area for walking with children.
 - Large parking area outside the housing estate (50 metres away from the kindergarten).
 - Convenient location because the kindergarten is easy to access from many parts of Krakow.
 - Meals in the nursery are prepared according to Polish nutritional guidelines for 2.5 to 5 year old children by Twoje Zdrowko company.
4. Language education:
- Currently, the foreign language our children learn is **English**. We teach them the language by playing English games, singing nursery rhymes and reading short stories in English to them.
 - Children learn about new cultures by meeting apprentices of early teaching education from different parts of the world.
 - Exposure to English at an early stage accelerates acquisition of English in the primary school.
5. Other attractions offered by our kindergarten:
- Excursion to Krakow theatres.
 - Performances in the kindergarten theatre.
 - Celebrations of St. Andrew's day, St. Nicholas' day and Nativity plays.
 - Integration of families on Grandmother's Day, Grandfather's Day, Mother's Day and Father's Day.
 - Chess activities for children aged 3 and 4.
 - Adaptation period in the nursery is free of charge and as long as needed by a child.
 - Weekly family workshops for 2-year old children
 - Open day once a month. Parents can visit the kindergarten with children and learn how it operates.
